Scenic Bike Ride Experience Guilin

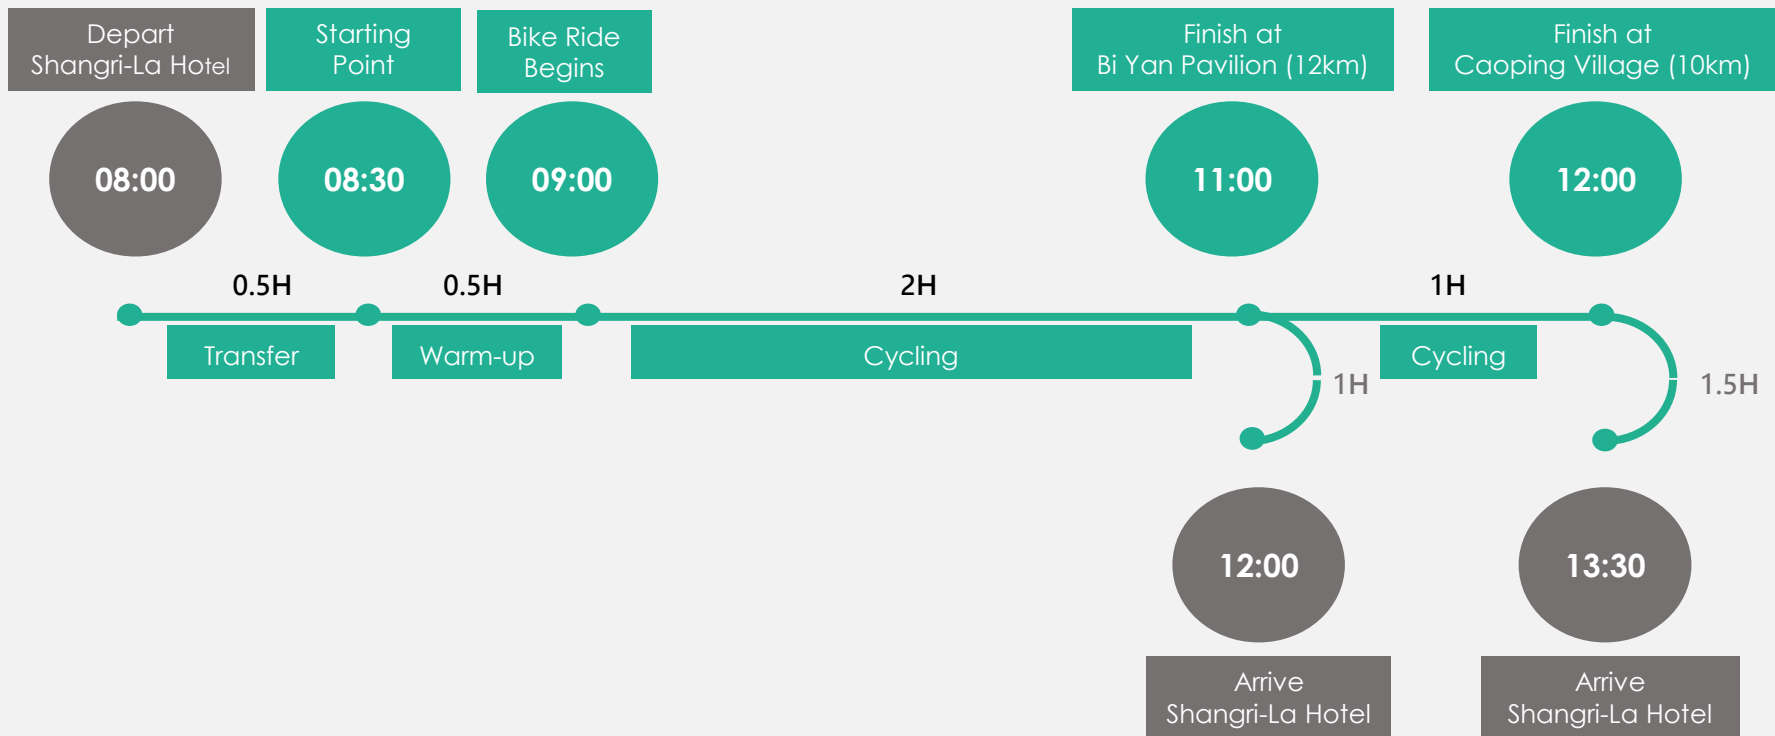

Leisure Ride · Stunning Views

Scenic Bike Ride - Experience Guilin

Lingchuan Greenway is 12 km long and Caoping Greenway is 10km long.

We will start at Da Wei Ancient Village and finish at Bi Yan Pavilion, which extends into Caoping Village.

Caoping Greenway is the first scenic bike route in Guilin

Explore Guilin's Beautiful Landscape

Explore Esquel Heritage and Innovation

Redefining the Modern Factory

Visit Esquel's Garment and Spinning Factories

Redefining the Modern Factory

Visit our factories to see how we spin cotton into colorful yarn, make the perfect shirt and live out the concept of "Integral" - a continuous pursuit of perfection. We welcome the exchange of new ideas and recommendations too.

Discover Integral Walk Through Jumeiqiao

The Integral – The Future of Sustainable Development

The Integral – A Sustainable Future in Guilin

Visit the Integral at Jiumeiqiao to learn about our modern industrial tourism ecological park. The park demonstrates a new eco-oriented development model in the textiles industry, showcasing the concepts of green workplace, low carbon emissions, and energy-saving production all at one location.

Handcrafted Fans The Beauty of Traditional Art

Traditional Art - Experience Chinese Culture

Indulge in a truly cultural and artistic afternoon activity to master the age-old technique of “Chinese Fan” creation.
